3. Information Accuracy Certification and Inquiry Consent

I certify that all statements, answers and information given as a part this application process are accurate to the best of my knowledge. I understand that giving false and/or misleading information may be cause for rejection of this application or revocation of subsequent registration as a Special Inspection Agency.

I consent and authorize representatives of the Washington Association of Building Officials to request any information concerning my previous employment, education, military service or other information pertinent to this application.

(signature of agency technical director)

(date)

4. Applicant Qualification Documentation

The information requested in this section should be limited to the additional type(s) of work checked in part 2.1 above. The cost to review your application submittal and any follow-up deficiency response submittals is solely dependent upon the amount of time required for review.

4.1 Personnel

(pertaining to additional types of work for which you are applying)

4.1.1 Provide the appropriate application for the inspector(s) proposed to conduct inspections for the additional type of work.

(NOTE: Refer to WABO SIRP Bulletin 93-09)

4.1.2 Provide the appropriate application for the special inspector field supervisor(s) proposed to supervise field inspections for the additional type of work.

(NOTE: Refer to WABO SIRP Bulletin 93-08)

4.2 Testing Services (pertaining to additional types of work for which you are applying)

4.2.1 Provide a description of all testing services to be conducted solely by the agency without the assistance of external source(s).

4.2.2 Provide a description of all testing services to be conducted with assistance of external source(s)-include external source(s) names, addresses, telephone numbers and key contact names.

(NOTE: Refer to WABO SIRP Bulletin 93-06)

4.3 Equipment (pertaining to additional types of work for which you are applying)

4.3.1 Provide a list of fixed and mobile test and field inspection equipment the agency owns and has on-site.

4.3.2 Provide a list of fixed and mobile test and field inspection equipment the agency depends on external sources for-include external source(s) names, addresses, telephone numbers and key contact names.

4.3.3 Provide a description of agency owned equipment calibration practices and procedures along with samples of relevant record keeping documents.

(NOTE: All calibrations shall be traceable to the National Bureau of Standards and calibrations shall be performed at frequencies as set forth in national standards. If a standard

test method requires equipment calibration for which a frequency is not specified, then the laboratory shall establish a frequency of not less than one year.)

4.4 Inspection and Testing Documentation
(pertaining to additional types of work for which you are applying)

4.4.1 Provide a description or list of laboratory procedures-including appropriate ASTM and IBC references-with samples of relevant forms.

4.4.2 Provide a description of field inspection and testing procedures with samples of relevant forms.
(NOTE: Refer to enclosed WABO SIRP Bulletin R-93-07)
